THE PROTEST,

Honolulu, T. H., July 27, 1904. Hon. A. J. Campbell, Treasurer,

Dear Sir: We the undersigned citizens and contract (or share) holders of the Co-operative Home Purchasing Society hereby protest against your giving a charter to Joseph A. Akina, S. K. Oili, J. J. Mathews, M. W. Tschudi, L. K. Kakani, S. N. Lukua, L. K. Sheldon, W. Luther, Mr. Souza, Jno. P. Kahahau, W. Kelle, under the title of the Co-operative Home Purchasing Society of Honolulu on the grounds that the charter will be misleading and we believe is intended to create confusion with the contract holders of the Soclety in which we the undersigned are interested.

"This seemed to meet with general approval and it was voted that a committee of three be appointed to draw up a set of rules and regulations for the new society and that another committee of three be appointed to investigate the books and report to the association. I was appointed a member of the rules committee. A time was set for the next meeting the following week and the secretary was instructed to notify the shareholders of the meet-

"The rules committee had their rules ready for the next meeting, which was to be held in Mr. Strauch's office, but when the time came there were fifty present in the little office and there was so little room that it was decided to adjourn to meet in a larger hall whenever such a place could be secured. Waverley hall was secured and the meeting time set for the eighteenth of

"At this meeting the new by-law were taken up. I suggested that the first thing that ought to be done was the reading of the report of the committee appointed to investigate the books, as we ought to know what we were taking over before we took it over. I called for this report three times, but the chair refused to recognize my request. Then the society proceeded to the adoption of the by-laws and considering that they were taken up one at a time and had to be interpreted into half a dozen different languages I think we made very good progress. As it got late before all the rules had been considered it was decided that we adjourn again.

"I was quite late in arriving at the next meeting and just after my arrival the secretary began to read an article entitled, 'Manager.' As this was not in the committee report as I had signed it, I demanded that the society be told how it came there. The chairman called on Mr. Strauch and he said that it had been inserted at the request of a lawyer. When I asked him by whose authority the lawyer had been employed he did not answer. At this a heated discussion began and was carried on in both English and Hawaiian, mostly in the latter tongue. After much talk, in which it was maintained by many that as Strauch was already manager this reorganization had brought the society back to its starting place, the article was finally adopted. This gave Strauch unreasonable power.

"I then rose and stated that I would make no more objections but that I wished the secretary to record my vote against each of the articles. After requesting the chair three times to order this done I was met by continued refusals. Subsequently all the articles were adopted and the meeting adjourned to meet on July 25 for the election of

"On the 23rd eleven men got together without the knowledge of the shareholders in general, and elected themselves to eleven offices in the society. Some of these men are shareholders and some are not. The officers elected by this star-chamber session are: Joseph A. Akina, president; S. K. Oili, vicepresident; J. J. Mathews, secretary; M. W. Tschudi, treasurer; J. K. Kakani, chairman of the board of trustees S. N. Lukua, secretary of the trustees; L. K. Sheldon, W. K. Luther, Mr. Souza, Jno. P. Kahahau and W. Kelle, trustees. After this I filed my protest.'

CHRONIC DIARRHOEA.-For sev-

eral years during the summer months I have been subject to looseness of the bowels, which quickly ran into a very bad diarrhoea and this trouble was frequently accompanied with severe pain and cramps. I used to call on doctors for my trouble but it became so regular a summer affliction that in my search for relief, I became acquainted with Chamberlain's Colic, Cholera and Diarrhoea Remedy, which proved so effective and so prompt that I came to rely exclusively upon it, and what also happily surprised me was that while it almost instantly relieved the cramps and stoped the diarrhoea it never caused constipation. I always take a bottle of it with me when traveling. H. C. Hartman, Anamosa, Iowa, U. S. A. For sale by all dealers and druggists. Benson, Smith & Co.
